Buffalo Mountain KCH Ch 4 comments 3-15-13.docx

Here is the version that Greg and I are comfortable with; he's shared it with Nancy.

Greg and Nancy are firm that the post-mining land use should not be part of the project purpose.

We are going to ask OGC to review and comment by 1:45pm – we will then forward the letter back to Region 3.

I am also trying to get OAQPS to review the letter.

Greg and I think it would be good if you and Nancy could talk for 5 minutes before the 5:30pm meeting.

I also have a suggestion from Greg that we should talk about; I'll try to find time on your calendar.
